SUMMARY

Sideloaded for an Android cell phone or tablet means installing apps that cannot be installed by using the "...Store.." apps that are bundled with or authorized for the cell phone.

SIDELOADING

- Sideloaded for an Android cell phone or tablet, means installing an app without using the "Play Store" or the "Galaxy Store" by either using a third party store app in the cell phone or a Web browser in either the cell phone or another device such as a laptop or desktop computer

SIDELOADING (continued)

- Sideloading for an iPhone or an "iPad", means installing an app without using the "App Store by either using a third party store app in the cell phone or a Web browser in either the cell phone or another device such as a laptop or desktop computer
