SUMMARY

"Microsoft Clipchamp" is available as browser-based Web app that runs in macOS.

THREE "COST LEVELS" OF "MICROSOFT CLIPCHAMP"

- ❑ "Free" level of "Microsoft Clipchamp" runs inside the "Microsoft Edge" browser or the "Google Chrome" browser in macOS by default.
- ❑ If "Microsoft 365" is installed into MacOS, then the "Microsoft 365" level of "Microsoft Clipchamp" runs inside the "Microsoft Edge" browser or the "Google Chrome" browser in macOS

THREE "COST LEVELS" OF "MICROSOFT CLIPCHAMP" (continued)

- ❑ The not-free "Essentials" level of "Microsoft Essentials" will run inside macOS if you pay for this level, either monthly or yearly

TWO "APP TYPES" RUN "MICROSOFT CLIPCHAMP"

- ❑ The Method 1 via the "Universal Windows Platform" (= UWP) app version of "Microsoft Clipchamp" **is not available** inside a macOS computer: "Microsoft Clipchamp" cannot be installed as a local "app" inside a macOS computer
- ❑ The Method 2 "Progressive Web App" version of "Microsoft Clipchamp" **is available inside a macOS computer**

RUNNING "..CLIPCHAMP" INSIDE macOS
